A member of the law firm of Burns, Middleton, Rogers and Farrell, Rogers has been mentioned prominently throughout the district as the likely choice to succeed his father.

Rogers, who has long been closely associated with his father in connection with his business, (continued on page 5)

Strings of colored lights crisscross Lake Avenue, East Main Street and Bacom Point Road in the downtown area, with flasher connections on the strings at the intersections of Lake Avenue and Barfield Highway with East Main. Christmas light decorations also brighten the front of the waterworks plant. The city plans to set up public Christmas trees in Ixora Park on Lake Avenue and Pioneer Park on Bacom Point Road. The local Garden Club has been asked to assist in the decoration of these trees.

Basket Ball Team Opens Its Season

The Pahokee High School Blue Devil basketball squad will open its 1954-55 season Friday night, Dec. 10, when they meet their traditional rivals, the Belle Glade Golden Rams, here on the local court.

The Pahokee cagers started their daily practice sessions the first of last week under the tutelage of Coach William D. (Bill) Howard, who is starting his seventh season as the Blue Devils' basketball coach. Only two lettermen have been carried over from last year: Chat Clark, regular guard on last year's team, and Thurman Kemp, a reserve forward last year.

Because of the short period of preseason training Coach Howard has been able to decide on only one player for the opener. He definitely plans to start Chat Clark at guard, the same spot as he had last year. Competing for forward positions on the first team are Donald Waddell, Thurman Kemp and Buddy Parker, while Max Beverly, who was on last year's B team, and Dow McClelland, reserve center for the center spot. Both Ronnie Hitchcock and Jim Seay are striving for the remaining guard position on the A team, with Hitchcock apparently having a slight edge at the present time. Coach Howard says he will not decide upon his starting team until the tip-off, on the opening night.

Coach C. W. Pell again this season has charge of the training of the Blue Devil B squad. Among the (continued on page 8)

Cinematic Chatter

By Malcolm Millar

Hello everybody! Scott Brady is an actor who never worries about "type-casting." The popular actor has had a meteoric success in motion pictures. Just ten months after completing a dramatic course, paid for under the G. I. Bill of Rights, he reached star rating on the screen. Recently, he finished a successful appearance on the legitimate stage in the West Coast production of the Broadway hit, "The Moon Is Blue." He is six-foot-two inches tall, weighs 180 pounds and has the shoulders of a boxer and a quick, restless personality that stimulates people around him. He was born in Brooklyn on September 13, 1929, the son of Lawrence H. and Marian Tierney. The elder Tierney was chief of New York's Aqueduct Police Force, but is now retired. Brady has two brothers. His older brother is Lawrence Tierney, the actor, and his younger is

Edward Tierney, who works as Brady's stand-in while planning a career as film writer. Brady's real name is Jerry Tierney, but he chose the screen name in order to reach stardom on his own talents and without trading on his brother's screen name. He attended Barnabas Junior High School and St. Michael's High School in Westchester. After high school he enlisted in the Navy. Following training at the gunnery school at Pensacola, Florida, he was transferred to the U. S. S. Norton Sound, a sea-plane tender. Scott's real ambition is to get married, raise a large family and live in a house on the hill. "I want to get married just once—and stay married," he says. He resides with his parents and younger brother, budgets his money carefully, and stubbornly harnesses his restless nature to the demands of his screen career. See you at the movies—Mal.

Here is a dressing that's new, but it's very good! Add a little spice to mayonnaise, with a little sugar and juice of half a lemon. Use it with a fruit salad. Once you taste it, you'll try it again.

Seminole Object Drainage Project

ORLANDO — Seminole Indians living on the Big Cypress Indian Reservation are opposed to a flood control and drainage project that would affect a part of their lands, but officials hope for an early and complete agreement.

Robert D. Mitchell, Orlando, president of the Seminole Indian Association of Florida, said he thought the matter could be settled to the satisfaction of all concerned.

No other gas pedal gets action like this!

THIS pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflo Drive,* have changed their pitch—just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And

beneath it all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

RARDIN INDORSED

Canal Point Publisher Urged To Seek Seat Of Rep. Rogers

OKEECHOBEE — Paul Rardin, Canal Point, former president of the Florida Association of county commissioners is being urged to become a candidate for Congress in the special primary to select a successor to the late Dwight Rogers.

Ammon McClellan, publisher of the Okeechobee News, said that the local weekly would support Rardin.

"Paul Rardin is one of the outstanding public figures in the sixth congressional district and is well acquainted with our needs," said McClellan. "We are going to urge that he enter the race and will give him our active support."

Rardin, owner-publisher of the Everglades News at Canal Point for the past 20 years, is a member of the Palm Beach county commission. Elected three times to four year terms, he served as vice chairman two years and chairman in 1951. He has two years to serve of his present term.

Former secretary, treasurer, vice president and president of the State Association of county commissioners, he served as director of the association for four years and at present is a member of the highways committee of the National Association of County Officials.

He returned Thursday night from Birmingham where he attended the mid-year conference of the national group which indorsed the federal highway program calling for ex-

penditure of fifty billion dollars.

Rardin is a former member of the state legislature, serving from Palm Beach county.

Four years ago Rardin considered running for Congress and had speaking engagements in nine of the eleven counties in the sixth congressional district.

Although he received widespread encouragement to run at the time he declined with the comment: "We are well represented in Washington at this time."

EDITOR'S NOTE: Since the above story appeared in The Herald and other state newspapers last Saturday morning the editor of this newspaper has received hundreds of telephone calls from counties in the Sixth Congressional district along with many calls in Palm Beach county, urging him to make the race for Congress. Due consideration has been given the idea by this editor at this time and we have come up with a negative answer. As much as we would like to make the race, and as much as we have figured on it during the past several years, the suddenness of the vacancy makes it impossible for us to consider it at this time.—Paul Rardin, Editor.

A "Do-It-Yourself" show will be a new feature of the 1955 Florida State Fair in Tampa, Feb. 5-19.

Uptegrove Singers In Canal Point Tonite

An application has been made for a charter for the Pahokee Cub Scout Pack and den meetings are already being held at the homes of den mothers.

Paul Rardin Declines To Make Congressional Race Despite Support From Entire District

Christmas Luncheon For Womens Club

The Pahokee Woman's Club held its annual Christmas luncheon at the clubhouse Wednesday with Mrs. Frank Friend in charge of program arrangements and Mrs. Norman Kennedy, president, presiding. Mrs. George Arceneaux gave the story of "The Other Wise Man."

The club voted \$5 for the purchase of toys and books for use by children while patients at the Everglades Memorial Hospital.

Mrs. Edward A. Jensen, who represents the club on the board of directors of the Everglades Memorial Hospital Auxiliary, reported the annual membership drive of the auxiliary will start Monday, Dec. 13. The club will assist in the drive by canvassing the residents on Banyan Avenue. Mrs. Norman Kennedy and Mrs. Robert Hutton will be in charge of this work.

Mrs. William Plumer was asked to make arrangements for a joint meeting of the Pahokee and Belle Glade Woman's Clubs after the first of the year.

Mrs. James T. Holden was voted into the membership of the club.

Members brought to the luncheon Christmas gifts for veterans at the VA hospitals. These gifts were turned over to Mrs. Sadie Barwick, American War Veterans committee chairman, who is in charge of preparing them for distribution to the hospitals.

Mr. and Mrs. Kenneth Hitchcock spent the weekend visiting her daughter, Mrs. W. R. Rose, and family at Tampa.

Paul Rardin, county commissioner from the western section of Palm Beach County and weekly newspaper publisher, made the following statement Wednesday: "I am not a candidate for congress in the special election to name a man to replace that great American, Dwight L. Rogers, whose untimely death came as a great shock to Floridians. I shall always be grateful to the hundreds of fine citizens in the Sixth Congressional district who urged me to make the race and especially am I indebted to the publisher of the Okeechobee City News, Ammon McClellan, who was first to offer my name for consideration. I feel that I owe an obligation to the voters of Palm Beach County who have elected me their county commissioner and I shall continue to acknowledge that obligation."

"In the first announced candidate, Paul Rogers, citizens of the Sixth district have an outstanding young candidate. My wife and the late congressman were born and reared in the same Georgia county where I lived for many years. I know the Rogers family well and no finer group of people ever trod Georgia soil than the late Congressman and his entire family. In Paul Rogers I can see the making of another public servant whose talent will be offered for the advancement and betterment of government in Florida and the United States."

"Personally, I shall ever be grateful to the hundreds of folks in the Sixth Congressional district who have urged me to make the race. I sincerely regret that it is impossible at this time for me to accede to their requests and become their standard bearer. The district-wide support, which came so freely and spontaneously, causes me to have a sense of humility and a feeling of deep appreciation to those who considered my proposed candidacy so kindly."

Mrs. Leota Hatcher Succumbed Wednesday

Mrs. Leota Knowles Hatcher, 77, died at the home of her daughter, Mrs. H. C. Dyess, at Canal Point Wednesday, Dec. 8, at 10:35 a. m. She had made her home with her daughter here since coming to Canal Point from Green Cove Springs three years ago. She was a member of the Hickory Grove Baptist Church at Green Cove Springs.

Survivors in addition to her daughter, Mrs. Dyess of Canal Point, include a son, W. H. Hatcher, Green Cove Springs; two grandchildren, Mrs. Ed Turner, Spartenburg, S. C. and Miss Willa Gail Hatcher, Green Cove Springs.

Boyd Vorhees Has Program For Lions

Boyd Vorhees presented the program at the dinner meeting of the Canal Point Lions Club in the Community Hall Monday night, with Osie Uptegrove, president, presiding. Members of the club were called upon for brief impromptu talks on subjects of their own choosing.

It was announced that instead of the regular dinner meeting next Monday night the Canal Point Club will join other Lions Clubs of the Glades area at the annual Lions banquet for Glades high school football squads to be held in the Belle Glade School cafeteria Thursday night, Dec. 16.

Mayor Haydon Burns of Jacksonville was elected president of the Florida League of Municipalities at their recent convention in St. Petersburg.

Christian Science Group Of Canal Point

The subject of the Lesson-Sermon to be read at Christian Science services this Sunday is "God the Preserver of Man."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (16:7-11): "Our Master taught his disciples one brief prayer, which we name after him the Lord's Prayer. Our Master said, 'After this manner therefore pray ye,' and then he gave that prayer which covers all human needs."

From the Bible will be read the account as given in Matthew of Christ Jesus' instructions on how to pray which includes the following (6:7, 8): "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him."

WHICH ONE DO YOU WANT?

you can have your dream house—this easy way!

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan: Look at the chart on this page. See how you can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save *systematically* on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars). After that your money is saved for you, *before* you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now *grows* to such a surprisingly big sum.

Why don't you start—today? Sign, where you work, for the Payroll Savings Plan. Or, if you're self-employed, have your banker enroll you in the Bond-A-Month Plan. It's as easy as the Payroll Savings Plan:

How you can reach your savings goal on the systematic Payroll Savings Plan

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save...	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, save...	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. You can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, *start your Plan today!*

He has never before sought public office.

Rogers said that he shares the philosophy of his father which has always been a conservative type of government and economy in administration of public affairs.

"I believe that I can effectively continue the service that was my father's pleasure to give to the

sixth congressional district, Rogers said.

"I believe in being a full time congressman and it is my fervent desire to carry on in the traditional manner which my father represented the people in the sixth congressional district."

Glee Club And Band Combine Talents

The musical talents of the Pahokee High School Glee Club and the Pahokee High School Band will be combined for the first time in the history of the school Monday night, Dec. 13, at 8 o'clock when they will join in the presentation of a Christmas musical program at the December meeting of the Pahokee Parent-Teacher Association in the high school auditorium. The program is being arranged by James W. Vann, program chairman, and if the public response to this community Christmas attraction through the medium of the music of the school comes up to expectations, PTA will attempt to make it an annual Yuletide event, according to Mrs. John A. Dulany, PTA president.

The Glee Club of 39 voices, under the direction of Miss Margaret Powell, will sing "Rise Up Early," by Richard Kuntz; "Carol of the Bells" (Ukrainian), by Leon T. Ovic; "Carol of the Shepherds," (French); "The Shepherds and the Inn," (Mexican); "O Holy Night," by Adolphe Adam, with Hal Rosenberg and Pat Turbeville, soloists; and "Merry Christmas," (English). Farris Kincaid, soloist, will sing "White Christmas." Miss Rose Marie Henderson will be the piano accompanist.

The Pahokee High School Band, under the direction of Robert O. Lampl, will play "Christmas Greetings March," by Walters; "The Rosary," Ethel Nevin-Walters; "March of the Toys," Victor Herbert; "White Christmas," Irving Berlin; and Christmas Suite, Walters.

The Glee Club and the Band will join in renditions of "Joy to the World," "Silent Night" and "O, Come All Ye Faithful," the entire audience to join in the singing of the last number.

The program will be preceded by a brief business session and will be followed by the serving of refreshments in the school cafeteria, with Mrs. Thomas Elliott, hospitality chairman, in charge.

Blue Devils Guests Of Pahokee Lions

The Pahokee High School Blue Devil football players, 1954 Suncoast Conference champions and their cheerleaders were guests of the Pahokee Lions Club at the Tuesday luncheon meeting. Also guests were the Blue Devils' head coach, C. Webb Pell, and line coach, William D. (Bill) Howard.

Introduced by Ralph Johnson, president of the club, the two coaches gave credit to the Blue Devils' excellent team spirit and work during the past season as an important factor in their winning the league crown. Each of the players spoke briefly as he introduced himself.

It was announced the Pahokee Club will not hold a regular meeting next week. Instead, local Lions will attend the All-Glades Lions football banquet at the Belle Glade School cafeteria Thursday night, Dec. 16.

Mr. and Mrs. Herman Showers have returned to Black, Ala., after a visit with their uncle and aunt, Mr. and Mrs. C. L. Stuart, at Canal Point. They were accompanied as far as Gainesville by Edwin Stuart, who returned to his studies at the University of Florida after a visit with his parents here.

Room dividers of patterned glass mark separate areas in a room but do not create a crowded, chopped-up appearance. The reason, says June Cabot, home arts consultant for Libbey-Owens-Ford, is that colors and light pass freely through the glass, but sharp images are obscured.
